## Pediatric Education for Prehospital Professionals (PEPP) Initial Provider

### Course Description

The PEPP Course was developed by the American Academy of Pediatrics and is designed to meet the learning objectives related to the Pediatric Portion of the US Department of Transportation National Standard Curriculum for EMT-Basic, EMT-Intermediate and EMT-Paramedic Providers.

This 1 1/2 day course is designed for First Responders, EMT-Basics, Intermediates, and Paramedics with a background in emergency care.

RN's and Physicians practicing emergency medicine will also find the information presented enlightening.

This course will be accepted as CE for PHRNs and ECRNs in the McLean County Area EMS System.
