

McLean County Area EMS System

Date: 5/6/2010

Time: 0900-1600

Preceptor Orientation

This class is designed for providers within the MCAEMS system who desire to become involved in the development of future EMS providers. After successful completion of this class, the provider will be able to function as a preceptor within the MCAEMS system. Continuing education will be rewarded. Please see the preceptor application for prerequisites.

Agenda Highlights

- History of EMS
- Quality improvement/case reviews
- Learning styles and laws of learning
- Preceptor/student association
- CoAEMSE implications

Registration: Go to www.mcleancountyems.org website, Education tab and complete the PEPP Course Application Form, **including copies of licenses and submit to the EMS**

COMPLETED APPLICATIONS ARE DUE IN THE EMS OFFICE NO LATER THAN April 22, 2010.
