ACLS provider status needs to be updated every two years.
Advocate BroMenn associates may register for these classes through Healthstream.
For any questions please call Jan Berlin, 268-5138.

The American Heart Association strongly promotes knowledge and proficiency in BLS, ACLS, and PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association, and any fees charged for such a course do not represent income to the Association.
