MEMORANDUM

To: Transport Agencies

From: Dylan Ferguson, BS, NRP, CHEP, LI
Director

Date: 03/07/2018

Subject: **ABMC Construction Follow Up**

This is a follow up to the last memo that we sent out regarding construction on Advocates Campus. The project will be lasting throughout at least the rest of the week. In addition, ambulance bay three will be closed due to the need to place a dumpster.

Particularly during high volume times, ambulances are requested to vacate bay 1 and bay 2 as soon as practical after delivering your patient.

Please let me know if you have any questions.
