## MEMORANDUM

**To:** ALS Agencies

**From:** Dylan Ferguson, Paramedic, B.S., L.I.  
Director

**Date:** 03/15/2017

**Subject:** NREMT Renewals

---

This memo will not apply to many of you. However, with changes that NREMT has made to the renewal process for renewing paramedics the system has created an agency that you can affiliate with in the online NREMT system.

You can now select McLean County Area EMS as an agency and can submit NREMT recertification packets for training officer and medical director review. Once we complete this review your certification packet will automatically be submitted to NREMT assuming that you have submitted your fee.

EMT-Basic renewals for NREMT should continue to be handled at the agency training officer level as they have been in the past.

If you have any questions on this new process or if there is anything I can do to assist, please do let me know.

**Yours in EMS,**

Dylan Ferguson  
Director
