To: System Members

From: Dylan Ferguson, Paramedic, B.S., L.I.
Director

Date: September 29, 2017

Subject: CE Topic Change

There has been a change to the fourth quarter CE topics. We have replaced the topic Principles of EMS management that was scheduled in November and December with a refresher course on Emergency Vehicle Operations.

The schedule of courses has not changed only the topic. Please let me know if you have any questions.

Professionally,
