MEMORANDUM

To: All Agencies

From: Dylan Ferguson, Paramedic, B.S., L.I.
Director

Date: 04/13/2016

Subject: Licensure Renewals

We have received word from the Illinois Department of Public Health that due to the ongoing state budgetary gridlock, that IDPH is having difficulty in mailing licenses to providers who have renewed. IDPH is working through the issue and hopes to have it resolved in the near future.

It is important to realize that licenses are being renewed, the state just cannot mail it back to you. Also attached to this memo is the memo we received from IDPH. In it there is a website that employers and individual providers can go to, to verify that they hold an active license.

If there are any questions related to licensure status of an EMS provider the system as always stands ready to help in any way possible. While this issue is completely out of our local control we thank you for your patience and apologize for any inconvenience as it relates to this ongoing hardship in state government.

Yours in EMS,

Dylan Ferguson
