**2016 EMS Stroke Assessment**

This course involves viewing an approximately 30 minute video. The course reviews not only the components of the FAST exam, in addition to other assessment techniques to assist providers in identifying large vessel strokes. There will be a short knowledge check quiz, and after passing it with a score of 80% you will be able to print a certificate documenting your continuing education.

**2016 EMR/FRD Cardiac Emergencies**

This course is the online counterpart for the 2016 mandatory continuing education presentation on cardiac emergencies. Completion of this course will satisfy the requirement for attendance and will also be awarded 1 hour of continuing education. Topics included in this course include First Responder Management of Cardiac Arrest and a general understanding of cardiac emergencies. To complete this course complete all the modules, including the exam module at the end. On successful completion of the exam you will be provided the opportunity to print your certificate. If you encounter any technical problems please email [dferguson@mcleancountyems.org](mailto:dferguson@mcleancountyems.org) to report the problem.

This is the online course management system for McLean County EMS.

### Is this your first time here?

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrollment key", which you won't need until later. Here are the steps:

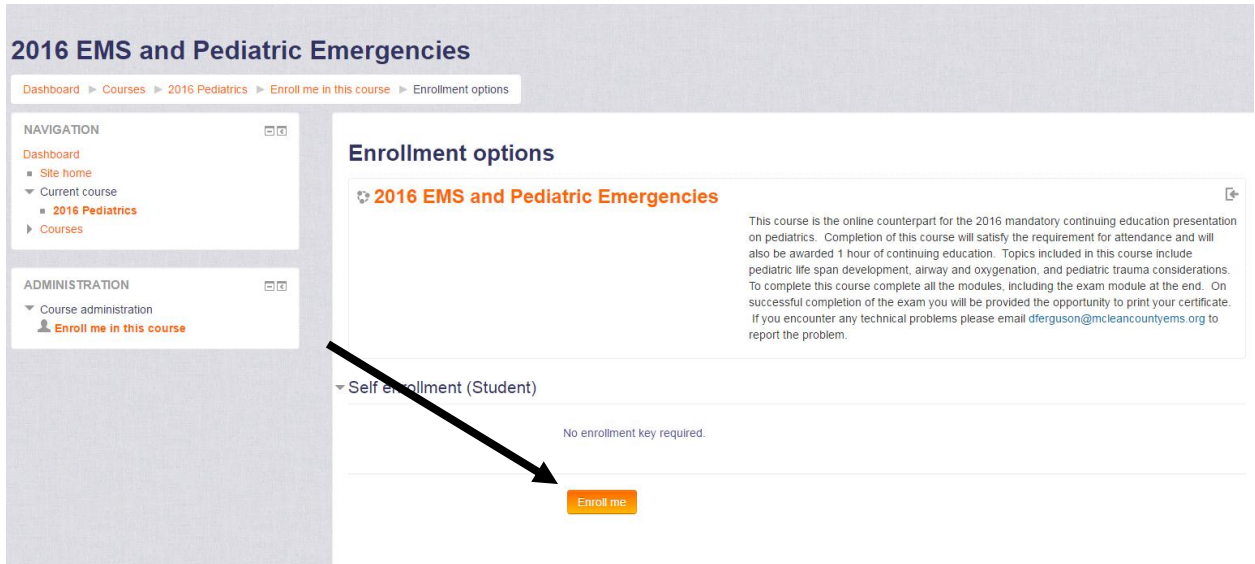

1. Fill out the [New Account](#) form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. If you are prompted for an "enrollment key" - use the one that your teacher has given you. This will "enroll" you in the course.
7. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.

3. That will bring you to the login page, click the create new account button on the right hand side

4. Fill out the information requested for a new account and click *create my new account*
5. You will then be sent a confirmation email open your email and click on the confirmation link
6. After you click the activation link your account will be active

7. This is what your individual homepage looks like
8. Click on which course you want to take

9. That will bring up the course home page click the enroll me button at the bottom of the page

10. That will bring up the classroom page. There will always be three topics the first is the presentation itself, the second topic is the quiz and the third topic is the certificate.
11. The system will not allow you to take the quiz until you view the presentation, and you will not be able to print your certificate until after you have passed the quiz.
12. After you have passed the quiz you must go back and select the link in topic 3 to download your certificate.
13. If you have any problems or questions about the online learning platform contact Dylan Ferguson in the EMS System Office at 309-827-4348 or <mailto:dferguson@mcleancountyems.org>
