Subject: Staffing Waivers
Importance: High

Sue: please send this reminder message out to the agencies in the McLean County Area EMS System.

REMINDER

Please be reminded that staffing waivers for transport agencies are assigned an expiration date by the Illinois Department of Public Health if they approve the application. These staffing waivers are typically approved for one year. If your organization has an existing need for a staffing waiver and it has been over one year, please contact the EMS System office as soon as possible to obtain the necessary paperwork and discuss the process for applying for a staffing waiver. Thank you for your attention to this matter and sincerely, Greg
