SUBJECT: Electronic Patient Care Reporting Software

The McLean County Area EMS office is pleased to announce Code Red will be the vendor for our electronic patient care reporting software. The EMS system members who attended the May Affiliate meeting overwhelmingly chose Code Red.

The EMS office will begin working with Code Red over the next few months on development, training, testing and implementation. The projected start date is planned for 0001 on January 1, 2009.

Please contact the EMS office with any questions.
