MEMORANDUM

TO: EMS System Members

FROM: Gregory Scott, R.N., M.S., EMT-P
EMS Coordinator

DATE: November 05, 2008

SUBJECT: EMS Personnel Changes

This is to inform you that Sue Randle has submitted her resignation as the EMS Secretary after November 14, 2008. I know that each of you will agree with me that Sue has been an asset to the EMS System and we are sad to see her departure as she transitions to the Illinois State University. I have worked with the hospitals' human resource departments to post this position.

I would also like to announce that Barb Humer has joined the EMS System as the EMS Office Manager. Barb brings an extensive background of office management from Busey Bank and prior to that worked in the Carle EMS System office. She also has served in the past as an EMT on a volunteer fire department. I know that you will join me in welcoming Barb to the McLean County Area EMS System.

The EMS Education Coordinator position remains posted at this time and additional interviews have been scheduled.

The EMS Department will continue to work with each agency on your EMS needs. The McLean County Area EMS System continues to strive for excellence made possible through our system members and the EMS office staff working collaboratively together.

I will continue to provide updates regarding the status of these positions as they become available.
