## MEMORANDUM

**TO:** EMS System Members

**FROM:** Gregory Scott, R.N., M.S., EMT-P  
EMS Coordinator

**DATE:** June 23, 2008

**SUBJECT:** EMS Quality Assurance Coordinator

---

This is to inform you that Cathy Belcher has submitted her resignation as the EMS Quality Assurance Coordinator after July 15, 2008. Cathy has been an asset to the EMS System and we are sad to see her departure as she transitions to the OSF St. Joseph Education Department.

I have worked with the hospitals' human resource departments to post this position since I know all of you join me in the desire to have the EMS System Quality Assurance program continue moving forward. The EMS Department will continue to work with each agency on your EMS Quality Assurance/Improvement needs. The McLean County Area EMS System continues to serve as a model within the State of Illinois made possible through our system members and the EMS office staff working collaboratively together.

I will continue to provide updates regarding the status of this position as they become available.
