## MEMORANDUM

**TO:** EMS System Members

**FROM:** Gregory Scott, R.N., M.S., EMT-P  
EMS Coordinator

**DATE:** January 29, 2008

**SUBJECT:** EMS Education Coordinator

---

This is to inform you that Lisa Wright has submitted her resignation as the EMS Education Coordinator after February 08, 2008. Lisa has been an asset to the EMS System and we are sad to see her departure as she transitions to the BroMenn Emergency Department.

I have begun the process to post this position as quickly as possible since I know all of you join me in the desire to have the EMS System education program continue moving forward. The EMS Department will continue to work with each agency on your EMS education needs. The McLean County Area EMS System continues to serve as a model within the State of Illinois made possible through our system members and the EMS office staff working collaboratively together.

I will continue to provide updates regarding the status of this position as they become available.
