At the Normal Fire Department, our personnel are our most valued resource. Our firefighters are running more calls and training for more hours on more subjects than ever before. From station tours and public education events to fires and medical emergencies, our scope of service continues to expand, and our training has become more rigorous than any other time in our history. We invest heavily in each member to achieve our ultimate goal of reaching the highest level of professionalism and being a leader among fire departments in the state of Illinois.
